

Protecting Our Global Community of Customers

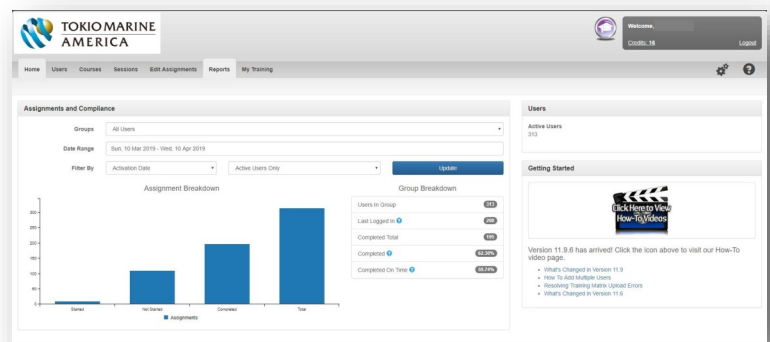

e-Safety Training Resource

At Tokio Marine America, we are dedicated to helping our clients and their employees remain safe at all times. We have partnered with SafetySkills to provide our clients with e-Safety Training administered through an easy to use learning management system, bringing increased flexibility and more training delivery options to help ensure your safety training is both effective and compliant.

Training Administration Made Easy

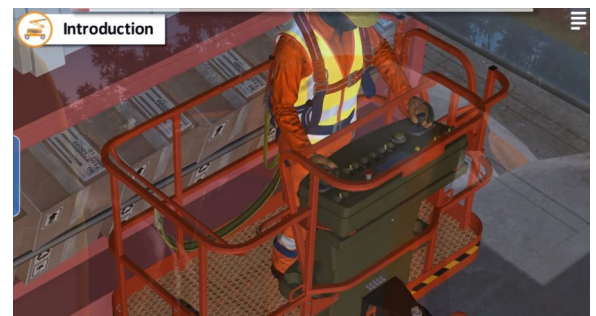

- Easy-to-manage administrator dashboard
- Flexible administration—add employees and track training progress to meet your organization’s needs
- Reports accessible through Excel and PDF documents automatically emailed to you
- Quick and easy employee-access Student Portal to required training
- Student Dashboards—keep employees informed about scheduled courses, past-due assignments, and upcoming tasks.

Engaging Interactive Courses

Our 500 courses are EHS, HR, and OSHA Compliant. All courses are competency-based and interactive to ensure an engaging learning experience for your employees. Our course catalogue offers:

- Vibrant 3-D animations, full narration, and interactive questions and scenarios
- Self-paced courses in multiple languages
- Accessibility through a user-friendly interface 24/7 on a desktop or mobile device
- Continuous updates with new content, fresh imagery, and improved features so courses remain relevant and engaging
