

Protecting Our Global Community of Customers

LC360 Client Portal

Access loss control information quickly and conveniently with Tokio Marine America's Loss Control's LC360 Client Portal.

With informative data visualization, the dashboard offers a comprehensive overview of recommendation priorities and key performance indicators.

Location-based surveys involve a targeted approach to risk management by tailoring loss control service efforts on potential hazards and geographic vulnerabilities unique to each location. Through the location dashboard businesses can easily review survey documentation and recommendations based on thorough risk assessments and industry best practices. By tailoring these recommendations to specific risks and organizational needs, businesses can proactively address vulnerabilities, reduce the likelihood of adverse events, and safeguard their assets, reputation, and overall stability.
